

COVID Policy as of October 1, 2023

Dreamshadow COVID Policy: Everyone attending our in-person events is requested to self-test within the 24 hours before the workshop starts and stay home if the test result is positive for COVID. Likewise, anyone experiencing cold or flu-like symptoms the week the workshop starts is asked to stay home. Participants who develop such symptoms during the workshop are asked to inform the facilitators as soon as possible so we can make the necessary arrangements for everyone's safety. Please note: Although we are requesting people to test, we cannot guarantee a COVID -free environment.
